SPONSORSHIP & EXHIBITION PROSPECTUS

INVITATION

AEA Scientific Meeting 2025

EMBRACING CHANGE: EPIDEMIOLOGICAL METHODS FOR THE FUTURE

Dear Potential Sponsor or Exhibitor,

The Australasian Epidemiological Association (AEA) and the Conference Committee invites you to consider sponsoring or exhibiting at the AEA Scientific Meeting being held from Wednesday 16 to Friday 18 July 2025 at the Hotel Grand Chancellor, Hobart, TAS.

The 2025 theme is: *'Embracing change: epidemiological methods for the future'*.

High quality, user-friendly epidemiological evidence is essential to support the development of good health policy as well as evidence-based clinical and public health practice. The conference will explore the intersection of traditional epidemiology with the opportunities and challenges presented by digital transformation.

The conference will feature expert national and international speakers presenting under this theme. It will also highlight epidemiological investigations undertaken across a range of settings including academic, government and non-government organisations.

Sponsorship of the AEA Scientific Meeting 2025 offers a strategic opportunity to demonstrate the support your organisation gives to epidemiology and to associate your brand with thought leadership, sector networking and partnership development.

The Conference Committee is committed to working with sponsors and exhibitors to match packages to the strategic objectives of your organisation to ensure you are satisfied with your involvement and return on investment.

We would be delighted to discuss these promotional opportunities or any further ideas you may have for promoting your products or services.

We look forward to hearing from you.

Kind regards,

Assoc. Prof. Brigid Lynch
Co-Chair, AEA Scientific Committee 2025

ABOUT THE CONFERENCE

BACKGROUND

The AEA Scientific Meeting is convened by the Australasian Epidemiological Association (AEA). The conference highlights epidemiological investigations undertaken across a range of settings including academic, government and non-government organisations and features expert national and international speakers.

MEETING OBJECTIVES

The Meeting objectives are to:

- Present the latest epidemiological research and showcase leading national and international investigators
- Create an environment for knowledge sharing, collaboration and relationship building
- Strengthen the national epidemiological community
- Foster career development opportunities for training and early career epidemiologists.

DELEGATE PROFILE

The target audience for the conference is people who work/study in the field of epidemiology or use epidemiological tools and information in their work including those from academia, private industry, government and NGO sectors.

MEETING PROMOTION

The AEA Annual Scientific Meeting 2025 will be promoted widely to the public health sector. This will include direct email campaigns, member newsletters, extensive exposure on conference material, on the conference website, in the official program and satchel and other opportunities as per the sponsorship agreement.

OPPORTUNITIES

Sponsoring and/or exhibiting at the AEA Scientific Meeting 2025 offers your organisation the opportunity to be involved with an important Conference for highlighting challenges relating to epidemiology in Australia and the region.

Sponsorship and/or exhibition of the event provides an excellent opportunity to:

- Demonstrate your organisation's support of epidemiology and the organisations which deliver it;
- Promote your organisation and products to delegates;
- Increase brand awareness with an engaged, relevant and influential audience; and
- Network and build new relationships with key industry figures.

The Conference Committee is committed to working with sponsors to match sponsorship and exhibition packages to the strategic objectives of your organisation to ensure you are satisfied with your involvement and return on investment.

The selection of sponsorship and exhibition packages presented in this prospectus has been developed to ensure a successful outcome for sponsors, exhibitors and all participants of the conference.

In addition to the set packages outlined, sponsorship and exhibition packages can be customised to meet your organisation's specific objectives.

Early confirmation of your sponsorship and/or exhibition package of the AEA Scientific Meeting 2025 will ensure an even higher level of exposure. An extensive promotional campaign including email broadcasts and web exposure will be implemented with the opportunity existing for your company to be represented as a key sponsor of the conference well in advance of the event.
